

Elval

Company

profile

Fresh. Reliable. Responsible.

About us

Elvar is a Dubai-based fresh produce trading company dedicated to supplying high-quality fruits, vegetables, and herbs to businesses across the UAE.

We work with trusted producers, exporters, and wholesale markets to provide fresh products that meet the expectations of hotels, restaurants, supermarkets, catering companies, and food distributors

Our approach is simple:

Deliver consistent quality, reliable service, and transparent business relationships that help our customers operate with confidence.

Elvar is committed to building long-term partnerships through professionalism, responsiveness, and dependable supply.

Our Commitment:

- Quality Products.
- Reliable Supply.
- Long-Term Partnerships.

Vision

To become one of the UAE's most trusted B2B fresh produce suppliers by building lasting partnerships based on quality, reliability, and transparency.

Mission

To supply businesses across the UAE with premium fresh produce through dependable sourcing, strict quality standards, efficient logistics, and outstanding customer service.

Every order is handled with care because we believe our customers deserve consistency they can rely on.
